

Call for Papers: Deadline 15 November, 2011.

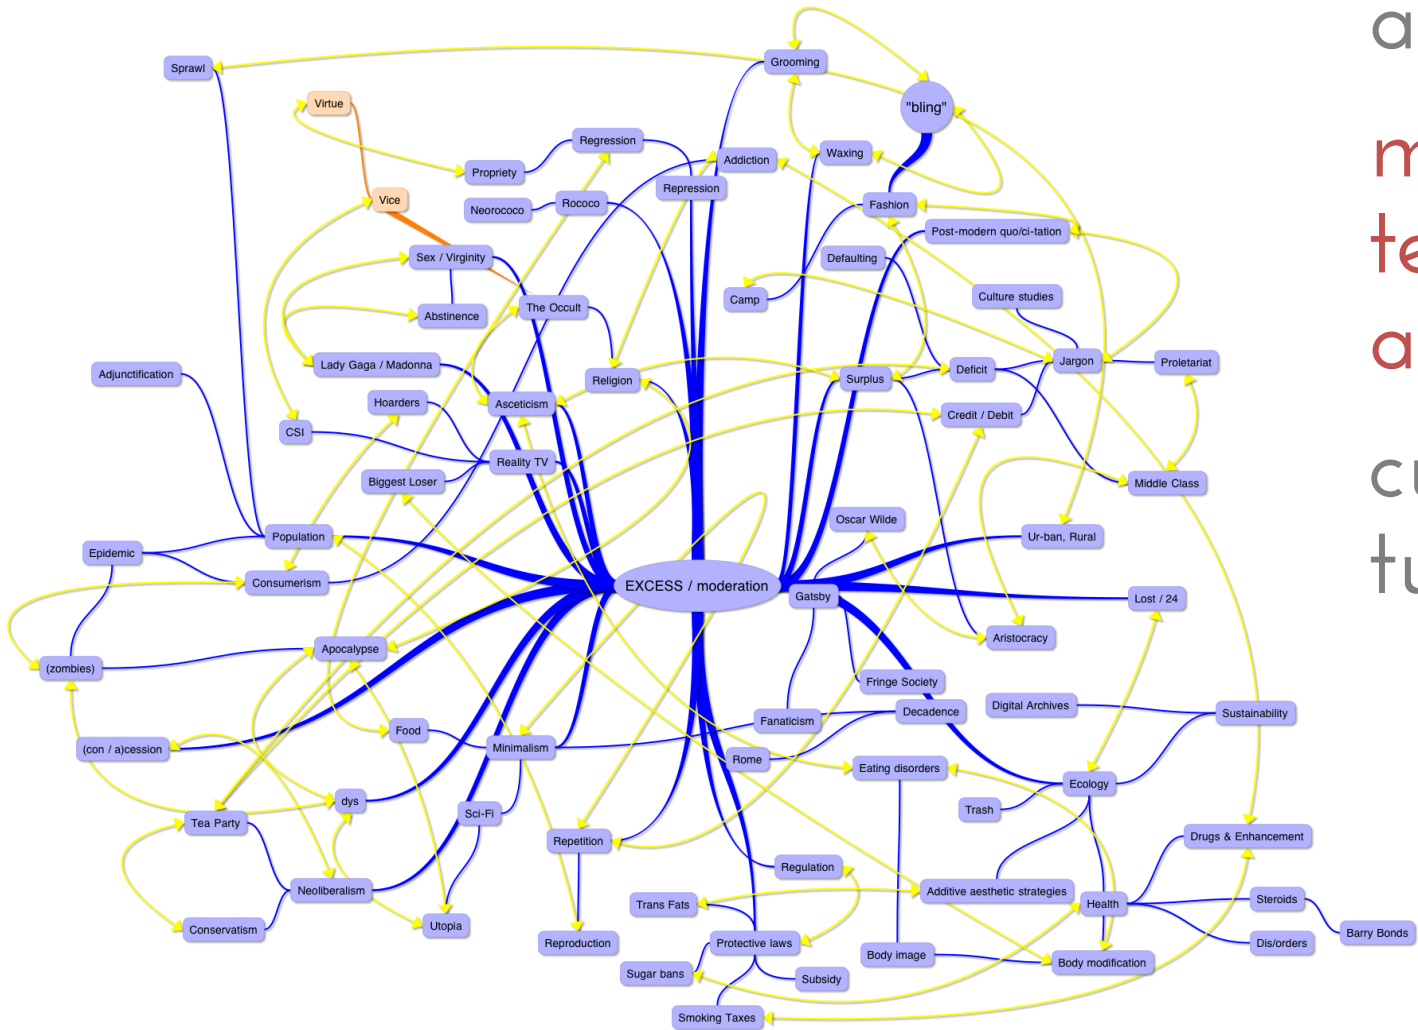

Send all submissions electronically in .doc or .docx format to editor@framejournal.org.

The editors of *Frame* invite scholarly submissions from a variety of disciplines that engage with visual and/or material culture using unique methodologies. We are particularly attracted to scholarly work that transverses traditional disciplinary boundaries and uses fresh approaches.

This issue is themed "Excess/Moderation." Below is a mind-map that serves the function of suggesting topics. A higher resolution version is available on the Frame website (www.framejournal.org). Please see the website for the style-sheet as well.

Papers should not exceed 10,000 words, unless for special exception. Manuscripts should be submitted electronically in .doc or .docx format. A separate document that includes a 200-word abstract, full name, email address, phone number, and institutional affiliation should accompany the article.

Send all inquiries to the Managing Editor, Shawn Rice, at editor@framejournal.org.
